

Our Mandate

At Saugeen Sparks Training Centre, we are dedicated to forging pathways to success in the high-demand skilled trades.

We aim to offer accessible, culturally relevant training to empower the next generation of tradespeople.

Saugeen Sparks Training Centre

Partner with us to make a lasting impact in your community. For inquiries about partnership opportunities or program enrollment, reach out to us today!

What We Offer

→ Specialized Workshops

- Hands-on skills training opportunities which are crucial for developing a workforce capable of meeting the demands of tomorrow's trades.

→ Collaborative Workshops

- Partnerships with the Provincial Building & Construction Trades Council of Ontario and the Canadian Welding Bureau to provide specialized workshops which enhance students' skills and prepare them for industry demands.

Community Outreach & Accessibility

→ Community Engagement

- By providing outreach programs, the Centre ensures that training opportunities are accessible to a broader community including the typically underrepresented groups in the skilled trades.

→ Pathways to Employment

- Our focus on diverse employment opportunities helps to create a robust talent pipeline for local employment opportunities

Success Stories

→ Track Record

- Our programs showcase their effectiveness in workforce development as they have led to certifications and employment opportunities for participants.

→ Training Partnerships

- Signed training partnership agreements with Saugeen First Nation, Nawash Unceded First Nation, Huronia Area Aboriginal Management Board and Habitat for Humanity Grey-Bruce.
- Collaborate with labour unions and regional employers to secure placements for program participants.

The Centre's welding test sessions in 2024 yielded a 100% pass rate- something that doesn't happen very often. This speaks to the level of instruction and dedication of the participants in these programs – CWB Weld Inspector
